

IRC Leadership Conference
June 13 – 18, 2003

GOALS:

- 1) To explore and recommend new patterns of partnerships and possibilities for ways IRCs can work more closely with IIP
- 2) To evaluate best practices and field-developed, innovative IT solutions that create greater efficiencies in using IIP products and services overseas and to share them across the community of IRCs
- 3) To establish benchmarks of IRC excellence, and
- 4) To strategize for future initiatives that will assure IRCs remain in a position to optimize their role in promoting public diplomacy goals
